TAPAS FINAL NEWSLETTER

Issue no.9

Welcome to the final newsletter of the TAPAS, EU funded Horizon 2020 programme. With 15 partners from 10 countries our goal was to promote and consolidate the environmental sustainability of the European aquaculture. TAPAS is resulted, among others, in the production of the Aquaculture Toolbox, a collection of modelling and guidance tools to assist decision makers throughout Europe in the aquaculture licensing process.

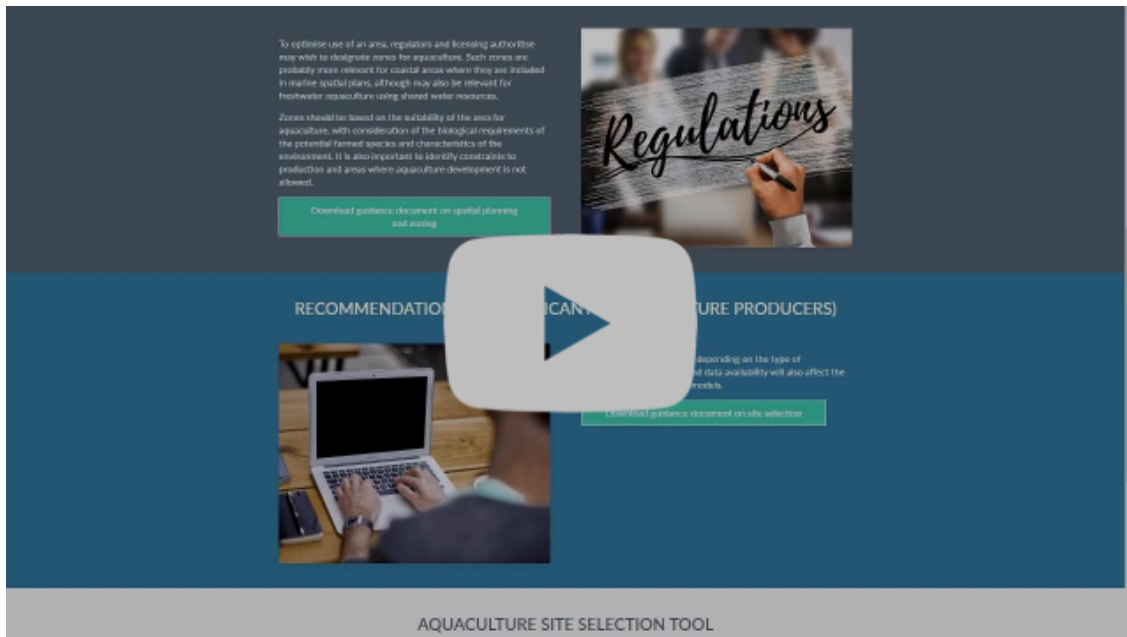

Aquaculture Toolbox

<https://toolbox-tapas.s1.umbraco.io/>

Development of the Aquaculture Toolbox

Trevor Telfer, TAPAS project coordinator from the Institute of Aquaculture at the University of Stirling introducing the Aquaculture Toolbox, developed in the project.

Aquaculture Toolbox e-learning course

The Aquaculture Toolbox E-learning video guides users on how to navigate on the Aquaculture Toolbox website.

TAPAS results and outputs
